TEACHING: WORTH IT IN MORE WAYS THAN YOU MIGHT THINK...

Most people underestimate **teacher salaries** by \$10,000-\$30,000

Most teaching jobs have better **retirement benefits** than private industry

There are student **loan forgiveness** programs and **scholarships** for teachers

Teachers report having **higher job satisfaction** than other STEM professionals

Teachers report similar or greater **Intellectual challenge** in their jobs than other STEM professionals

Teachers are 6x more likely to say that they **make a difference** in people's lives than other STEM professionals

Science teachers are in **high demand** and can land a **job almost anywhere** in the US
